***RE: Janeway Foundation Education Grants 2022***

To All Staff:

The Children's and Women's Health Program recognizes the importance of staff having the opportunity to avail of education opportunities that will enhance their clinical practice in pediatrics. Educational opportunities that benefit our pediatric patients and families is of utmost importance to enhance the care we provide. Although we cannot travel to avail of education opportunities during the pandemic, employees can apply for a Janeway Foundation Grant for online/virtual education opportunities.

Thanks to the generosity of donors and the Janeway Foundation, the Children's and Women's Health Program is now accepting applications for staff education grants for permanent full and part-time employees of the Children's and Women's Health Program and affiliated Eastern Health employees who work directly with the pediatric population.

Please read the grant guidelines carefully and use the grant application form attached. Successful applicants will be contacted via email once selection process has been completed in mid-March.

Please submit your completed application via email to Paula Dalley: [paula.dalley@easternhealth.ca](mailto:paula.dalley@easternhealth.ca)

If you have any questions regarding the application process, please do not hesitate to contact Paula Dalley via email at [paula.dalley@easternhealth.ca](mailto:paula.dalley@easternhealth.ca)

Thank you.

Sincerely,

*Amy Howard*
